REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed because the prior art of record does not show or suggest a wafer cassette pod equipped with a position sensing device including at least two spring-loaded position sensing devices each mounted in one of two side panels of a cassette pod body with a finger protruding beyond an end surface of said side panel to push said cassette pod body away from a loadport of a process machine when said cassette pod body is not properly positioned on said loadport, in combination with the remaining limitations in the claim.

Claims 2-10 are allowed due to their dependency on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
